

Greetings!

On behalf of Michigan State University (MSU), the University of Ibadan, the Federal Ministry of Agriculture and Rural Development (FMARD) and the International Food Policy Research Institute (IFPRI), I would like to thank you for attending the launch of the project, - **“Guiding investments in sustainable intensification in Africa (GISAIA).”** We hope that you learned a lot about the project and that you are excited about our upcoming work.

For your convenience, we uploaded the available presentations to our slideshare account. All presentations are listed by name in the right sidebar. Just click the name of the presentation you would like to view and you will be directed to the corresponding slideshare page. If you would like to stay up-to-date on the project or our work, check out the website for the [GISAIA Project](#) and/or the [IFPRI NSSP Blog](#). And for a nice recap of the conference, take a look at the [Daily Times coverage of the launch](#).

Thank you again for participating in our event. We hope to see or work with you all in some capacity in the future!

Sincerely,

Ulrike Nischan

Country Program Coordinator
Nigeria Strategy Support Program
International Food Policy Research Institute

PS: For those of you that asked for a copy of the group picture taken at the end of the event, please click on the picture in the upper right corner to download a copy.
