\*\*\* Above is a list of items that have been modified, added or are in the process of being posted to MSU's Food Security III (FS III) Web Site since the last update. All items listed are currently downloadable in Adobe Acrobat format or will be available shortly. Listings of publications at MSU and in each specific country where we work are generally mutually exclusive. Those searching for research publications by specific MSU and/or host-country collaborators should therefore consult specific in-country, as well as the campus-based publication lists.
