*** Above is a list of items that have been modified or added to MSU's Food Security Group Web Site since the last update. All items listed are currently downloadable in Adobe Acrobat format. Listings of publications at MSU and in each specific country where we work are generally mutually exclusive. Those searching for research publications by specific MSU and/or host-country collaborators should therefore consult specific in-country, as well as the campus-based publication lists.

If you do not wish to receive future versions of this update, please select "Reply" and in the subject line write "Delete my address".
